Grateful Patient Program

You Can Make a Difference

Allegiance
HEALTH FOUNDATION

“I have never encountered a team of professionals so dedicated to their mission. They made a difference in my care and recovery.”

– Lee Hladki,
Allegiance Health Patient

Grateful Patient Program

At Allegiance Health, patient care is a priority for each member of our healthcare team. You and your family deserve the best health services and we strive to exceed your expectations each day.

Many patients have asked us how they can give back to Allegiance Health in honor of the “exceptional” care received. The Allegiance Health Foundation has established the Grateful Patient Program to provide a special opportunity for patients and family members to express their thanks.

With the generosity of people like you, the Grateful Patient Program supports the purchase of the latest technology to ensure state-of-the-art care for our patients.

Where Your Donations Go

Gifts made to the Grateful Patient Program help us care for patients in a compassionate, healing environment. It is possible you or your family have benefited from the generosity of past patients during your recent visit.

Donations from grateful patients help support services such as Hospice, Pediatrics, Emergency Department, Critical Care, Cancer Care, Heart Care and Rehabilitation, Nursing programs and charity care.

Gifts can be made in honor of individual caregivers, a specific nursing team, physicians, Pastoral Care staff and others.

Join Us in Honoring Excellence

Allegiance Health recognizes these outstanding staff members for their hard work, commitment to excellence and dedication to our mission. If you wish to recognize a particular member of our team or a department, making a donation in their name is a lasting way to honor their commitment to patient care.

We are always interested in learning how an individual or team touched you or your family’s life during your care experience. Please feel free to share your story with us on the donor card located on the back of this brochure. Mail your completed card and donation to:

Allegiance Health Foundation
205 N. East Avenue
Jackson, MI 49201

If you would like to know more about giving opportunities with the Allegiance Health Foundation, please call (517) 817-7508.

Thank you for allowing us to provide your healthcare services. We ask you to consider making a gift that will benefit patients for years to come.

William H. Kiel, CFRE
Vice President, Development
